

STEM SOUTH WEST

Careers EXPO 2024
November 20th 2024 Cork City Hall
Exhibitor Opportunity

STEM SOUTH WEST

STEM South West is an industry led cluster first formed in 2019.

Established in 2023 as a Company Limited by Guarantee (CLG) governed by a board of directors.

STEM South West is a not for profit organisation.

STEM South West is strongly supported by local authorities (Cork CC) and HEI's (MTU & UCC) in the region.

STEM South West is run by members of the biggest employers in the region, across pharma, tech and life sciences.

OUR MISSION

STEM South West is an industry led cluster committed to promoting and advancing world class STEM talent and capabilities to deliver innovation and economic growth in the South West region of Ireland.
